# Greater New England Minority Supplier Development Council

**Join us in supporting economic inclusion and minority business development.**

**Certify. Develop. Connect. Advocate.**

For more than 42 years, GNEMSDC and our predecessor organizations have provided opportunities for Minority Business Enterprises (MBEs) to grow and prosper by selling goods and services to our corporate members, public agencies, non-profit organizations, and other MBEs.

## The Business Equity Initiative

GNEMSDC is pleased to announce our partnership with the Eastern Bank Business Equity Initiative (BEI).

The BEI was launched in July with participation from 10 MBEs and with support from GNEMSDC in the role of strategic advisor for two of those companies. Seven of the 10 MBEs selected by Eastern Bank to receive advisory services are GNEMSDC certified companies.
